“When the highest quality standards, creativity & cost efficiency come together to offer the best choice for your own cosmetics brands.”

French-owned company in Vietnam

Francia Cosmetics is a French-Vietnamese manufacturing joint-venture established in 2004 in Ho Chi Minh City, Vietnam. Making use of French technologies combined with Vietnamese facilities, Francia Cosmetics has developed high quality products and improved technology in nail cosmetics.

Quality assurance

Francia Cosmetics works continuously to improve manufacturing practices and develop innovative formulations, textures and products to satisfy all needs around the globe. In order to provide the highest quality possible, we stay up-to-date with FDA, cGMP and Cosing Regulations. Moreover, our products are tested in a French Laboratory and we do NOT use controversial chemicals.

 cGMP (current Good Manufacturing Practice) Regulations Certificate

 Halal Certificate

Flexible solution & customization

Francia Cosmetics manufactures nail products in OEM (private label manufacturing) and ODM (customized upon request) basis.
